To Whom It May Concern:

I am writing to share with you my personal experience with Rich Tatum, on both the levels of ministry and friendship. I have known Rich for approximately three years and have spent considerable time with him in and out of ministry settings. He is gifted on many levels and would make an excellent contribution to any organization. When I think of Rich, the following words come to mind: intelligent, faithful, committed, well spoken, and sincere.

After working with him in ministry settings, I can attest that he brings both talent and heart to any setting in which he is involved. He is an excellent team player, a gifted teacher, and he possesses tremendous technical skill sets.

If I can assist you further, please feel free to contact me personally.

Sincerely,

Rev. Barry Sink
