To Whom It May Concern:

It is with pleasure that I write this letter to commend to you Rich Tatum and to encourage a deep consideration of his skills and abilities. It has been a privilege for me to know Rich for several years, and have had opportunity to interact with him through a web-based discussion forum and in personal phone calls. He has always shown himself to be a man of deep integrity, fairness and a desire to see the task completed without devaluing the people involved in the task.

Rich's expertise in information technology and his knowledge of the Scriptures combine to create a powerful resource for the local church. He is very desirous of helping to partner with the local church for the purpose of assisting in the attainment of vision and goals, and to facilitate either the long term or short-term goals that comprise the overall missional heartbeat of the local church. I have found him to be very amenable, dedicated to excellence in whatever is assigned to him, and very much a team player.

It is my thinking that adding Rich Tatum to your team, whether for the long term or for a shorter assignment will be a winning move that will enhance and encourage your overall mission and goals. Thank you for the opportunity to recommend this fine man of God to you.

Sincerely,

Rev. Scott Osenbaugh
Senior Pastor
